About Yangtze Normal University (YZNU)

With a history of over 90 years, Yangtze Normal University is a full time regular university run by the Chinese Government. It is located in the ancient capital of Ba Kingdom-Fuling District of middle Chongqing. YZNU enjoys a good reputation in the society, plays an important role in the layout structure of colleges and universities in Chongqing, and has made outstanding contributions to local economic construction and social development.

The School of International Education offers multi-level and distinctive courses for international students, including elementary, intermediate and advanced comprehensive Chinese, reading, listening, writing, speaking, China Panorama, Chinese martial arts, Chinese painting, calligraphy, HSK, HSKK, etc. The School places great emphasis on integrating theoretical learning with practical application, enabling students to achieve remarkable academic outcomes. Every year, international cultural festivals, talent contests, New Year's parties and other activities are held in the school, so that international students and Chinese students can deepen friendship and convey their national cultural confidence in the multicultural exchange. The school attaches great importance to the improvement of practical ability of international students. Our vibrant community includes over 22,000 full-time undergraduate students, about 100 international students and we are proud to be a home away from home for a growing number of international students from across the globe.

Why Choose YZNU?
